

Conversation Café Agreements

Open-mindedness: listen to and respect all points of view.

Acceptance: suspend judgment as best you can.

Curiosity: seek to understand rather than persuade.

Discovery: question old assumptions, look for new insights.

Sincerity: speak for yourself what has personal heart and meaning.

Brevity: go for honesty and depth but don't go on and on.

Conversation Café Process

Assemble up to 8 people plus host, hearty topic, "talking object," and time (60-90 min.). Host explains process and agreements.

Round 1: Pass around the talking object; each person speaks briefly to the topic, no feedback or response.

Round 2: Again with talking object, each person deepens their own comments or speaks to what has meaning now.

Dialogue: Open, spirited conversation. Use talking object if there is domination, contention, or lack of focus.

Final Round: With talking object, each person says briefly what was meaningful to them.
